

Rantoul National Aviation Center - Airport Courtesy Car Agreement

The Rantoul National Aviation Center Airport provides to transient pilots an airport Courtesy Car for local access to the Village of Rantoul community. The following conditions govern Courtesy Car usage:

1. Operator will possess a valid driver's license (not under suspension).
2. Courtesy Car is for local usage only. Any special requirements to drive outside Village of Rantoul city limits require prior approval from Airport Manager.
3. Driving while impaired by alcohol, other drugs, or intoxicating compounds is prohibited.
4. Everyone riding in the vehicles shall wear their seat belt.
5. Vehicle shall be locked when unattended, except in those situations where doing so would be impractical.
6. Damage that is sustained during usage shall be immediately report to airport management with a written report describing the circumstances of the accident (police report) and damage.
7. Vehicle shall be operated in such a manner as to obtain the maximum in economy and with the least amount of wear to the vehicle.
8. Smoking in the vehicle is prohibited.
9. Vehicle shall be returned to the FBO parking lot clean with the vehicle windows in the up position.
10. Using the Courtesy Car for more than three (3) hours requires prior approval by airport management.

By signing this paper I understand and agree to the provisions of this Rantoul National Aviation Center Airport Courtesy Car Agreement.
