

SWIM LESSONS

We are proud to offer Red Cross approved swim lessons, taught by our Red Cross certified lifeguards. Swim lessons play an important role in the lives of children, they can save a life or help with getting the child comfortable with the idea of being in water. We make sure to offer an environment where everyone feels safe and comfortable getting in the pool. We offer 2— two week sessions, each session runs Mon-Thurs with 45 minute classes. Please look over the dates and times below to determine which session will work for your child. All sessions are for 2 weeks, we do not pro-rate, children not completing the full 2 week session will not be allowed to advance to the next level.

PRIVATE LESSONS

Please contact the manager on duty to inquire about private lessons and they can get you in contact with one of our certified lifeguards. The Recreation Department does not handle private lessons.

Please sign up for [Notify Me](#) in case of cancellations due to inclement weather.
