

Automated License Plate Readers (ALPRs)

438.1 PURPOSE AND SCOPE

Automated License Plate Reader (ALPR) technology, also known as License Plate Recognition, provides automated detection of license plates. ALPRs are used by the Rantoul Police Department to convert data associated with vehicle license plates for official law enforcement purposes including identifying stolen or wanted vehicles, stolen license plates and missing persons. ALPRs may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

438.2 ADMINISTRATION OF ALPR DATA

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access shall be managed by the Administrative Deputy Chief. The Administrative Deputy Chief will assign personnel under his/her command to administer the day-to-day operation of the ALPR equipment and data.

438.3 ALPR OPERATION

Use of an ALPR is restricted to the purposes outlined below. Department personnel shall not use, or allow others to use, the equipment or database records for any unauthorized purpose.

- (a) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (b) An ALPR shall only be used for official and legitimate law enforcement business.
- (c) An ALPR may be used in conjunction with any patrol operation or official department investigation.
- (d) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (e) The officer shall verify an ALPR response through the Illinois Law Enforcement Agencies Data System (LEADS) or National Crime Information Center (NCIC) before taking enforcement action that is based solely upon an ALPR alert.
- (f) No ALPR operator may access Illinois Law Enforcement Agencies Data System (LEADS) or National Crime Information Center (NCIC) unless otherwise authorized to do so.

438.4 ALPR DATA COLLECTION AND RETENTION

All data and images gathered by an ALPR are for the official use of the Rantoul Police Department and because such data may contain confidential LEADS information, it is not open to public review. ALPR information gathered and retained by this department may be used and shared with prosecutors or others only as permitted by law.

All ALPR data downloaded to the server shall be stored for thirty (30) days unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a lawful action to produce records. In such circumstances the applicable data shall be downloaded from the server and digitally stored on evidence.com.

438.5 TRAINING

Only persons trained the in use of the ALPR system, including its privacy and civil liberties protections, shall be allowed access to the ALPR data. Training shall consist of:

- Legal authorities, developments, and issues involving the use of ALPR data and technology
- Current policy regarding appropriate use of ALPR systems
- Evolution of ALPR and related technologies, including new capabilities and associated risks
- Technical, physical, administrative, and procedural measures to protect the security of ALPR data against unauthorized access or use
- Practical exercises in the use of the current ALPR system

Training shall be updated as technological, legal, and other changes that affect the use of the ALPR system occur. In no case shall a person utilize the ALPR system if they have not completed the training in more than a year.

438.6 ACCOUNTABILITY AND SAFEGUARDS

All saved data will be closely safeguarded and protected by both procedural and technological means. The Rantoul Police Department will observe the following safeguards regarding access to and use of stored data:

- (a) All non-law enforcement requests for access to stored ALPR data shall be referred to the Police Services Representative and processed in accordance with applicable law.
- (b) All ALPR data downloaded to the mobile workstation and server shall be accessible only through a login/password protected system capable of documenting all access of information by name, date, time, and reason for the search.
- (c) Persons approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (d) Such ALPR data may be released to other authorized and verified law enforcement officials and agencies for legitimate law enforcement purposes.
- (e) ALPR system audits should be conducted on a regular basis.
