NARRATIVE

This supplemental report is being written after watching my own body camera video with permission from the Chief of Police, Tony Brown. The purpose is to amend a statement I misquoted in my original report. My original report was written without watching my body camera video.

In my original report, I remembered Officer Aceves's direct response over the radio to my question of whether any Officers fired their weapons as, "He fired his own weapon." After reviewing my body camera video, I concluded Officer Aceves's actual response was, "I used his own weapon."
